

An Event Series | Global Employee Mobility and Taxation

Taxation challenges for employees of internationally operating organisations

We are pleased to announce a three-part event series kindly sponsored by [Blick Rothenberg](#) and [Tax Expert International AG](#). Hosting events in Zurich, Geneva and London we are proud to present the first event of the series in Zurich!

Welcomed by Alexander Altmann, Director Blick Rothenberg, and Richard Wuermli, Managing Partner Tax Expert, the speakers will examine a wide range of tax implications that can arise when employees of multinationals move across borders. Specific topics that may be relevant to specific categories of employees (business travellers, short- and long term assignees, locals) will also be covered. There will be a specific focus on domestic rules and the treaty which is in place between Switzerland and the United Kingdom.

The BSCC Zurich Chapter welcomes you to join this **complimentary** evening to learn about the Swiss tax system, and to enjoy some wine tasting sponsored by [Vinique](#) afterwards!
